Lidl coming to Center Moriches

Grocery chain buys Best Market chain and will open stores on LI next year

BY GLENN ROHRBACKER

Lidl, a grocery chain based in Arlington, Va., announced earlier this year that it would be buying out Best Market and converting those stores to its own brand. The company will also open new stores in several Long Island towns, including Center Moriches. Lidl will take over the old Waldbaum's space on Main Street.

"We are happy to soon bring Lidl's unique and fresh approach to grocery shopping to Long Island," said Johannes Fieber, CEO of Lidl US. "Our new stores will allow customers to save time and money each week with a simple and efficient shopping experience. We also look forward to celebrating our grand openings with many familiar faces from the local Best Market teams."

As part of this transition, Lidl will invest heavily in Long Island and will utilize local contractors throughout the remodeling process, according to a press release. Lidl will remodel Best Market stores currently located in Babylon and Huntington and open new locations in Plainview and Center Moriches. Lidl has also committed to offering all legacy Best Market team members guaranteed opportunities with Lidl in positions that offer wages and benefits that stay the same or get better.

Lidl began in 1973 with their first store in Germany. Now, there are over 20,000 in 29 countries. The chain announced in May that it would also open stores in several other Northeast states, putting their total at over 100 U.S. stores, creating 1,000 jobs. ■

What's in a Lidl?

- The stores will have a newly fitted-out facility, featuring an easy-to-shop layout and streamlined shopping experience.
- Fresh-baked goods and pastries. A bakery will be located at the entrance of the store.
- Roughly nine out of 10 high-quality products sold at Lidl are its exclusive private label brands, and a majority of Lidl's everyday assortment is sourced in America.
- All fresh and frozen seafood in Lidl's everyday assortment is certified by either the Marine Stewardship Council, Best Aquaculture Practices, or the Aquaculture Stewardship Council. Lidl's private label products also have no certified synthetic colors, added MSG or partially hydrogenated oils containing trans fats.
- Lidl carries a variety of organic and gluten-free items including organic fruit, vegetables, meat, dairy, and packaged food items.
- Lidl offers an ever-changing selection of non-food products each week that will be in stores for a limited time. The selection will include fitness gear, small kitchen appliances, toys, and outdoor furniture, among other non-food items.

Beloved crossing guard to retire

Melissa Greve has captured the hearts of many residents

BY GLENN ROHRBACKER

Lots of people are recognized for their faces, but a Center Moriches crossing guard has a wave that made her a local celebrity. Melissa Greve, of Mastic, will retire this year after 14 years of being a crossing guard.

Greve has become a part of the Center Moriches community after seven years of helping families cross. Her iconic wave could be seen at Brookfield Avenue and Montauk Highway as Clayton Huey students made their way in and out every day. She is also a crossing guard for St. John the Evangelist Church in Center Moriches on Sundays.

Outflowing of support from the community came in shortly after with well wishes and stories of Greve making days better for families in the community. Residents reported her making them smile, treating their kids well, and being a special part of the community.

"She has been making people happy with her waves for a lot of years," Cassy Caputo said.

Greve started as a crossing guard in Shoreham, where she would get the occasional wave, but said it skyrocketed once she arrived in Center Moriches. She has felt like a part of the community and has made a lot of connections with residents.

"I love the people, I just love them to pieces," she said.

On top of her crossing guard duties, Greve has been a volunteer for Meals on Wheels through Moriches Nutrition for about 20 years. Her colleagues say she is

a kind, reliable, and fun person who has helped a lot of people. She brings gifts and treats to the office staff and her clients every holiday. Greve helps out one day a week between her crossing guard shifts.

"She's just a wonderful person," said Donna Howard, of Moriches Nutrition.

Greve is also known for bringing treats to kids when they walk to school. Those who have met and gotten to know her say she will be missed. Greve plans on relocating to Virginia to get away from the harsh winters.

"Melissa Greve was the friendliest crossing guard you'd ever meet," said councilman Dan Panico. "She could always be found, no matter the weather, at the corner of Brookfield Avenue and Montauk Highway, helping students and their families cross the roadway to Clayton Huey Elementary School, while waving to all passing motorists with a friendly smile. We were happy and pleased to honor her for 14 years of service as a crossing guard, as well as her many years of service with Meals on Wheels. She will be sorely missed by the Center Moriches community."

A party to honor Greve's retirement, as well as her and her husband's 50th wedding anniversary, will be on Aug. 15 from 7 to 9 p.m. at the Moriches Bay Recreation Center on Frowein Road next to Center Moriches High School. If you plan to attend, RSVP to Helping Makes U Happy, (631)878-1978. The Caputos are hoping to gather photos of people with Greve to display at the event, which can also be sent to them. They are also welcoming gift (not really big stuff that would be cumbersome during a move, but gift cards, etc.) or dessert donations. ■

Got overdue books? Return them for free

The Center Moriches Free Library has officially gone "fine free" on returning used items. The exception to this policy is museum passes, new items, graphic novels, test guides and items from the Library of Things. Fines may also still be applied to items borrowed from other libraries. Items

that are returned damaged, are longer than six months overdue or items that have been lost will be assessed the full replacement cost of the item. For more information or to find out if you have overdue items, call 631-878-0940.

Moriches Bay Gardening Club It's August; keep watering

If you have a perennial flower garden, it has very likely reached its peak. This is a perfect time to note if you want to make any changes for next year. Dividing a plant, changing a color scheme or location are some things to consider. I find keeping a diagram of my garden helpful.

Our luncheon at Rock Hill Country Golf and Country Club last month was a huge success. We awarded our scholarship this year to the L.I. Student Internship Endowment Fund, Cornell University. Dr. Mark Bridgen from L.I. Horticultural Research Extension Center, Riverhead, was there to accept the award. Our award was given in honor of Anita Baldari, a member who passed away this past winter.

Cori Coogan of Roots, Flowers and Treasures in Port Jefferson entertained us while creating seven lovely floral designs, which were raffled off.

Katie Kleinpeter is our guest speaker this month. Her presentation will be about how to attract butterflies to your garden and "raising cats"—butterfly caterpillars. We are looking forward to that and as always, the public is welcome to attend.

Also a big thank you to Betty LeMyre, luncheon chairperson, and all her volunteers.

Take a minute to relax in the shade with a good book.

Would you take a lap to save a life?

Registration open for fundraiser for Peconic Bay Medical Center by Knights of Columbus

BY GLENN ROHRBACKER

The Center Moriches council of the Knights of Columbus is hosting a walk/run fundraiser to raise money for Peconic Bay Medical Center's women, children, and neonatal care center. Laps for Life will be held on Oct. 6 (rain date is Oct. 13) and registration is currently open.

The Knights are looking for sponsors of the event, which could support through monetary or in-kind donations. The tiers for sponsorship range from \$100 to \$1,000, or whatever the person or business would like to donate. Interested sponsors can email info@laps-for-life.com for more information.

The organization supports the work being done at PBMC and wanted to give back through this event.

"It's for giving back to the community," said Ted Kole, coordinator of the event.

The race gives people the option to walk or run, each with different goal distance levels. You could walk/run three, five, or seven miles, or choose a goal of your own.

The Center Moriches Knights of Columbus will hold their first annual Laps for Life fundraiser to support Peconic Bay Medical Center.

The race will be around the track at Center Moriches High School. The registration is \$10 to participate, which includes a T-shirt. Accompanying the registration is a requested donation form, where you

could make a flat donation amount or a donation per lap.

After the race, participants will be rewarded with a community barbecue. Arrival for the race begins at 9 a.m. and the barbecue will be at noon. The registration

form along with rules for the race can be found on laps-for-life.com. There will be an award ceremony after the race for the most donations gathered per level. Registration is open until Sept. 12. ■

BEING A *family-owned* FUNERAL HOME MAKES A DIFFERENCE IN

Quality & Value

Our family guarantees you will be satisfied...

For close to a century, Moloney Family Funeral Homes has provided Long Island families with quality, affordable funeral services. To further this legacy, we are pleased to have acquired the Sinnicks Moriches Funeral Home, which has been a part of the community since the 1940s. Through the newly formed Moloney-Sinnicks Funeral Home & Cremation Center, the Moloney family will continue to provide our neighbors with the compassionate care only a locally-owned and family-operated business can.

Since we are family owned, we treat every family that comes to us with the same attention and care we would take with a member of our own family. Exceptional caring service is the Moloney difference. We provide service options for everyone. Whether you're looking for cremation or burial options, each family deserves a ceremony at a price that reflects value and is right for them.

And we offer you more, like our exclusive Cremation with Confidence™ guarantee, so you can rest assured knowing your loved one is treated with dignity and respect, and they are well cared for at all times.

Go for a surf on land

Planning board OKs surf park in Shirley

BY GLENN ROHRBACKER

The Town of Brookhaven Planning Board is moving forward with a proposal for Long Island Surf Park to occupy a space in Shirley. It would be the first of its kind on Long Island, the company claims.

The proposed plan would convert a 3.49-acre lot in an industrial area to a recreational surfing facility. The lot is between Ramsey Road and Precision Drive, adjacent to Atlantic Industrial Technologies. It would include a 1.5-acre pool, which is the equivalent of 67,511 square feet, and would be 254 by 250 feet. There would be an accessory clubhouse, two stories totaling 7,278 feet, with a restaurant inside.

As part of an agreement, since the lot is in the Central Pine Barrens region, 35 percent of the property would be "undisturbed" during and after development, according to the applicant. The pool would have an artificial wave of 7 to 8 feet to simulate surfing conditions. The applicant said the pool is open year-round, seven days a week, and in almost all weather conditions. The only weather exceptions would be if there is lightning or the temperature goes below 20 degrees. There is also a three-to four-week

The surf park coming to Shirley includes a clubhouse with locker rooms, a restaurant and a surf shop.

Courtesy photo

period each year when the pool is drained and refilled, as required by county law. It is also only open from sunrise to sundown, as there will not be supplemental lighting. Similar to a nonsurfing wave pool, the entrance point starts at ground level and gets progressively deeper. The deepest point

is at 10 feet, and the entire pool will hold about 2 million gallons of water. At peak hours, the facility will have seven employees on duty, including two lifeguards, staff at the snack bar, maintenance and management.

A maximum of 10 surfers can use the pool at any time. Sessions are sold at one hour, with a 50-minute surf time and 10 minutes

to change to the next group. There is a setup for limited memberships or just open surfing time. Memberships include different levels of access to the surf pool and amenities, but prices have not yet been announced.

Inside the clubhouse there will be men's and women's locker rooms, a surf shop, and other storage areas. The second floor will house the restaurant with balcony seating at 45 seats total. However, the applicant said the restaurant is "primarily for the surfers and their guests" and would not be open to the public.

A representative from NatCon Realty, an adjacent business to the proposed surf park, was the only person to speak during the public hearing on June 17. She expressed concerns from the surrounding businesses about parking issues, especially on the weekends, when there would likely be overflow. There are 31 spots at the facility, but the applicant expressed that there may be competitions throughout the year, which bring many more to the property. There was also concern for the security and safety of the businesses, mainly on the weekends when they are empty, as well as increased traffic on Ramsey Road. The applicant said if an agreement for parking could not be made, they would not host the competitions.

The construction is expected to cost around \$10 million and take two years to complete. ■

Moriches - Years Ago

Compiled by Vanessa Graniello

75 Years Ago

August 1944

Eastport High School was the scene of a merry gathering with a United Service Organization Dance. About 150 were present, including Coast Guardsmen from East Moriches. A committee headed by Miss Madeline Keck of Eastport served refreshments and the dance was under the direction of Mrs. Martha Edwards, chairperson of the U.S.O. local unit.

An official notice from the Eighth Fighter Command Station in England announced that Lt. Edward C. Kaloski, 23-year-old Mustang fighter pilot, of Moriches, has been awarded the Air Medal for "exceptionally meritorious" service in aerial combat over Europe.

Mr. and Mrs. Frank Troyan of Paquatuck Avenue, East Moriches, celebrated their second wedding anniversary at the Ambassador Inn, Quogue.

Peter Adams was the guest of honor at a surprise birthday party given by Mrs. Martha Edwards at her home on Main Street, Center Moriches.

Instead of the usual speaker, a quiz contest was held at the meeting of the Moriches Rotary Club.

Mr. and Mrs. Peter Adams have moved from Main Street and are now occupying Mrs. Martha Edwards' cottage on Crosby Street, Center Moriches.

Over 60 guests attended the exhibition of antique glass held at the Moriches Woman's Club. Mrs. Lawrence Newins, Miss Anita Cleveland, Mrs. Lewis Foster and Mrs. Hershel Davis made up the committee in charge.

Tech. Sgt. Edward J. English of Chichester Avenue, Center Moriches, who holds the Air Medal and the Distinguished Flying Cross, is home after being stationed in England for a year.

Mrs. Horace Mott, of Eastport, is entertaining her niece, Miss Joan Howell of Lynbrook, and the Misses Evelyn and Betty Lou

Garich of Pleasant Valley, Ohio.

Mrs. Marilyn Hudson gave a party at the home of her parents, Mr. and Mrs. Charles Albin of Lakeview Place, Eastport, to celebrate the 2nd birthday of her daughter, Sheila Ann.

Mrs. Alvah Tuttle, of East Moriches, was hostess at a clambake for the junior choir of the Presbyterian Church.

The Branch Class of the Methodist Church of East Moriches met at the home of Mrs. Paul Orland on Pine Street, East Moriches. Among the guests present were Mrs. H.C. Smith, Mrs. J.H. Miller, Mrs. Daniel Howell, Mrs. Ada Brown, Mrs. Warren Murray, Mrs. Ida Brown, Mrs. George Brooks and Mrs. Augustus Alden.

The Moriches Rotary Club, through the courtesy of Mr. and Mrs. Chester Swezey of Eastport, held a clambake on the lawn of Oldfield, East Moriches.

Vocal students of Edna Kaler Gracey were heard in recital at a musical-tea given at the Mill House, Center Moriches. Among the performers were Virginia Snow and Harriet Stone of East Moriches, and Kathleen Davis of Center Moriches.

Playing in August at the Center Moriches Theatre: Irene Dunne, Alan Marshall and Roddy McDowall in "The White Cliffs of Dover"; John Garfield and Paul Henreid in "Between Two Worlds"; and Bing Crosby in "Going My Way."

August 1969

New leaders have been listed in the sixth annual Fluke Fishing Championship being held in the waters of the Moriches Bay area. The top man in the private boat division is local angler Bob Passando; leading the way in the fishing station division is Ralph Kuhland with Doris Presti in close second, who netted a 12-pound fluke; and David Pili heads the men's division; and East Moriches angler Wally Rowland is not far behind in second place.

The Woman's Club of the Moriches held its annual dessert-bridge for the benefit of the Margaret Havens Memorial Library collection housed in the Center Moriches Library. Members of the committee are Mrs. Henry Carmer, Mrs. John Hart, Mrs. Jordan Corra, Mrs. Lewis Foster, Mrs. Sigurd Hartell, Mrs. Lester Penney, Mrs. Ellis Mist and Mrs. Bruce Raynor.

Members of the Moriches Bay Anglers Club of Center Moriches brought new honors to the club by scoring a victory in the Shinnecock Anglers fishing tournament held at Hampton Bays. Members who earned trophies are Benny Nidgion; president Al Beck; Ed Ahtner, captain of the fishing boat Prowler, which earned a total of 1002 tournament points; and Roy Bartel, captain of the second place boat, Surcee II.

Glen Deiters, of East Moriches, caught a nice string of snappers, totaling 34 and a half fish. The other half was swiped away by a crab on the way up!

A pleasant outing was enjoyed by children attending the Rotary Club's Camp Paquatuck in East Moriches, thanks to the cooperative spirit of area residents who donated the use of their watercrafts. Raymond D. Smith and Frank Fredericks were volunteer captains for the cruise.

The Eastport Fire Department served over 1600 dinners at their 18th annual barbecue. Two of the awards given to Eastporters were a clock radio to Joe Tuttle and an electric blanket to Harry Hull Jr.

Winning "whippersnapper" Cindy Malanchuk, of Center Moriches, caught 16 snappers during the annual snapper tournament held by the Moriches Bay Anglers Club.

"Mama" Amende, owner of the Lindenmere Hotel in Center Moriches, died suddenly at the age of 74. Local residents will always harbor pleasant memories of the Lindenmere under Mama and Papa's guiding hands, for many are the wedding receptions and other happy affairs which were held within the Lindenmere walls.

Keith's Corner

Awareness and a goodbye and fundraising

Pictured with Helping Makes U Happy founder Keith Caputo is his friend Caitlyn Michiels, age 9, who was recently diagnosed with a rare eye disease. Caitlyn chose to use her experiences with her disease to do good for others by educating and bringing awareness to eye health. She has a Facebook page called Caitlyn's Vision through which she shares important eye health tips and information, and will soon be developing a website.

Caitlyn is making it her goal to raise money and resources to help children with eye care costs. Because of Caitlyn's efforts and those of Legis. Rudy Sunderman, county executive Steve Bellone has designated the month of August as Children's Eye Health & Safety Awareness month. Keith is proud to be a supporter of Caitlyn's Vision and says she is the perfect example of the Helping Makes U Happy mission that "every human is capable of making a difference... and inspiring others!"

Mark your calendars!

Thursday, Aug. 15, from 7-9 p.m. will be our retirement celebration for everyone's favorite waving crossing guard, Melissa Greve. If you've ever passed Brookfield Avenue and Main Street, Center Moriches, when school is in session, you've probably gotten a wave from Melissa. The celebration will be held at the Moriches Bay Recreation Center, next to Center Moriches High School. Desserts, non-alcoholic beverages, coffee and tea will be served.

The celebration is open to the public—please come and wish Melissa well as she and her husband prepare to relocate to Virginia. If you'd like to volunteer to help with the event, donate a dessert or beverage, or have any questions, please contact us at 631-848-9008. RSVP's to the same number by Aug. 1 would be appreciated. If you would like to take a picture with Melissa to display at the party, she's the St. John's Church crossing guard this summer, from 8 a.m. -1 p.m. on Sundays.

Finally, we will end the month by filling 42 backpacks with school supplies, to be sent along with the final food deliveries for the families we are helping this summer. Volunteers are always welcome and we are very grateful for all who've helped us this summer in so many ways! And please don't forget—the Helping Makes U Happy annual October Chinese auction will be here before you know it, and we are hard at work to make it our best yet. If you'd like to donate a basket or gift certificate, please contact us! This is Keith's favorite event and he really puts in a lot of hours to raise money to help our neighbors in need throughout the year.

Enjoy the rest of your summer!

CRIMESTOPPERS

Motorcyclist injured in crash

Suffolk County Police Seventh Squad detectives are investigating a crash that seriously injured a motorcyclist in Manorville this afternoon.

Joseph Carpinella was operating a 2018 Ford Fusion eastbound on Moriches-Middle Island Road at approximately 12:30 p.m. when he failed to stop at a four-way stop sign and hit a 2012 Toyota SR5 being driven northbound on Weeks Avenue by Thomas Bisagni. The Ford spun in the intersection and struck a 2017 Harley Davidson being operated by John Liebegott, heading westbound on Moriches-Middle Island Road.

Liebegott, 60, of Riverhead, was taken via Suffolk County Police helicopter to Stony Brook University Hospital for treatment of serious but non-life-threatening injuries. Bisagni, 48, of Shirley, and Carpinella, 79, of Ronkonkoma, were not injured.

All three vehicles were impounded for safety checks. Detectives are asking anyone with information on the crash to call the Seventh Squad at 631-852-8752.

Officers rescue boaters after crash

Suffolk County Marine Bureau officers rescued boaters from the water after two boats collided in Moriches Inlet in Moriches on July 13.

Marine Bureau officers John Falcone and George Schmidt were onboard Marine Mike when they heard a Coast Guard call about a boat in unknown distress near their location. They responded to Moriches Inlet at approximately 7:15 p.m. and found a man and a woman in the water after they jumped from their 16-foot center console HSX boat just before a 34-foot Cabo boat struck it.

Falcone and Schmidt pulled the operator of the HSX, Ted Felice, and his passenger, Joan Grauer, to safety. Felice, 59, and Grauer, 55, both of Mastic, were transported by ambulance to Peconic Bay Medical Center in Riverhead for treatment of non-life-threatening injuries.

The operator of the Cabo, Michael Flynn, 52, of Center Moriches, told officers he did not see the smaller boat due to sun glare. Flynn and his three passengers were not injured.

Both boats were towed to shore.
